ASPIRING WEB DEVELOPER

BCA Student | HTML • CSS • Python • Java
Phone: 8533979114 | Email: ankitbisht8174@gmail.com
GRD Uttarakhand University | GitHub: github.com/ankitbisht8174

PROFILE

Motivated BCA student building a career in web development. Comfortable with HTML and CSS fundamentals and developing programming skills in Python and Java. Interested in creating responsive, clean and user-friendly websites and improving through hands-on projects.

TECHNICAL SKILLS

Web: HTML5, CSS3, Responsive Design fundamentals
Programming: Python, Java, C fundamentals
Database: DBMS fundamentals, SQL fundamentals
Tools: VS Code, Git/GitHub fundamentals
Other: Problem solving, debugging and object-oriented programming

EDUCATION

Bachelor of Computer Applications (BCA) — GRD Uttarakhand University
Current student | Expected Graduation: [Year]
Relevant study: Web Development, DBMS, Data Structures, Java, Computer Organization, Software Engineering

PROJECTS

Class Timetable Webpage — Built a structured HTML/CSS webpage using tables and styling to present a college class timetable.
University Infrastructure Webpage — Created an HTML webpage to present university infrastructure using tables and basic page layout.
Portfolio Website — Planned personal portfolio project showcasing web-development skills, projects and contact information.

STRENGTHS

Quick learner • Consistent practice • Problem solving • Willingness to learn • Team-friendly communication

CAREER OBJECTIVE

To start my career as a Web Developer / Front-End Developer where I can apply my programming and web-development skills, work on real-world projects, and grow into a strong full-stack developer.

ADDITIONAL INFORMATION

Open to internships, entry-level web-development roles and freelance opportunities.
